About Simply Dynamics

We provide a comprehensive range of business solutions to small and medium-sized manufacturing, distribution and service businesses. Our core business solution is **Microsoft Dynamics NAV** – a business management system with over 1 million users worldwide.

Our telephone, on-line and on-site support services are available to all **Microsoft Dynamics NAV** users – whether existing Simply Dynamics customers or not.

We are the only company in Ireland that is Microsoft-registered to sell a range of ready-made enhancements to the standard **Microsoft Dynamics NAV** software. These enhancements help to increase efficiency and streamline business processes and are available to all **Microsoft Dynamics NAV** users – whether existing **Simply Dynamics** customers or not.

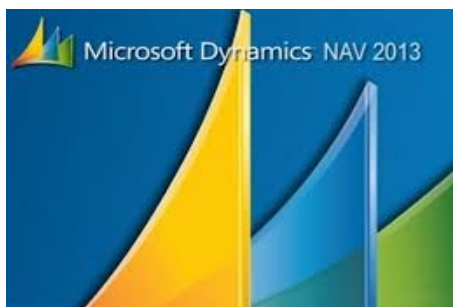

Business Solutions

When it comes to business solutions based around **Microsoft Dynamics NAV** software, none of our Irish competitors comes close to our level of expertise.

We have even identified areas where we can improve upon the standard **Dynamics NAV** software by enhancing functionality or streamlining business processes.

We are Ireland's fastest-growing business solutions company because we have set ourselves apart from our competitors in a number of key areas.

It is because of these key differences that most of our new customers are recommended to us by our existing customers.
