

# Dynamics NAV Addons

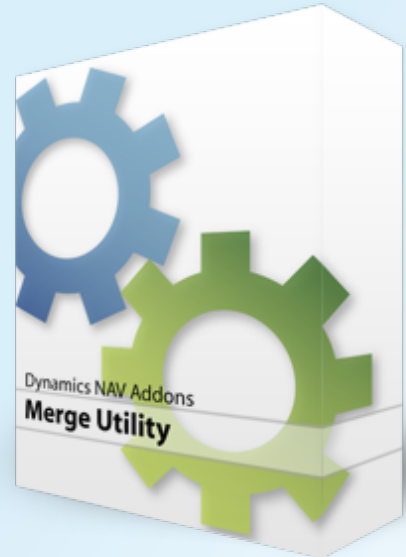

## Merge Utility

**Merge Customers, Items, Vendors and Dimension Values.**

Take two separate Customers, Items, Vendors, or Dimension Values and merge them into one.

All supporting information - for example history, sales, sub ledgers, etc. - are merged and consolidated as well.

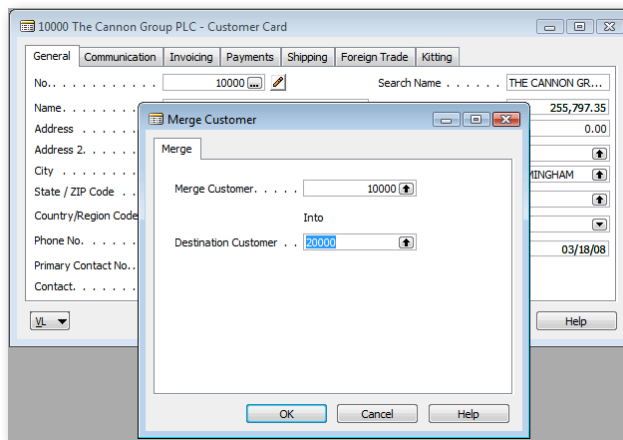

Simply pick the source and destination entity, and the system merges all the related information.

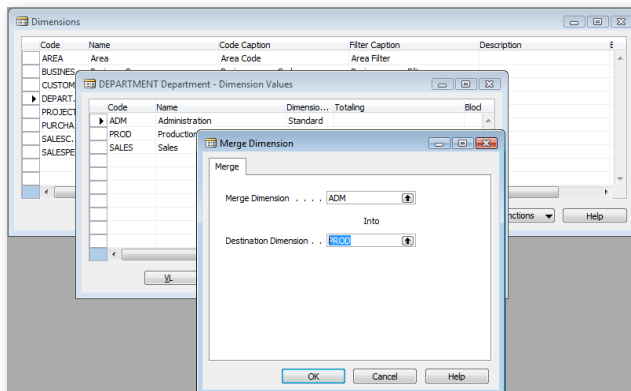

**Versions:** 3.x, 4.x, 5.x

**Languages:** English

**Countries:** All

*Merge Two Customers*

*Merge Two Dimension Values*

**Contact your local provider to order now.** For more information call, e-mail or visit our website:
