Simplify and Optimize Your Credit Control

SD Credit Controller is an enhanced NAV feature to allow a Macro overview of both your customers and your credit control activities.

Make it easier and **faster** for your debt collection staff to carry out their required functions. Also keep an overview of their actions and daily/weekly activities and progress.

Functional & General Overview

Actions:

- » Log actions at either customer or document level.
- » Change your list view to most relevant accounts requiring next action.
- » Simply email statements & invoices with minimal keystrokes.
- » Automated credit action generator based on open customer ledger entries.
- » Optional — Send SMS reminders to your customers.
- » Multi-Company view of a customers account.

Assign & Filter

- » Show only accounts assigned and with a balance or balance due.
- » Track every CC action.
- » Manage New accounts as they are created.

Performance Indicators

- » Overview how many accounts are assigned to each controller.
- » Overview the balances and balance due managed by each controller.
- » Daily and weekly overview of how much cash collected and how many actions taken by each credit controller.

SD Credit Controller for Microsoft Dynamics™ NAV

About Simply Dynamics

We provide a comprehensive range of business solutions to small and medium-sized manufacturing, distribution and service businesses. Our core business solution is **Microsoft Dynamics NAV** – a business management system with over 1 million users worldwide.

Our telephone, on-line and on-site support services are available to all **Microsoft Dynamics NAV** users – whether existing Simply Dynamics customers or not.

We are the only company in Ireland that is Microsoft-registered to sell a range of ready-made enhancements to the standard **Microsoft Dynamics NAV** software. These enhancements help to increase efficiency and streamline business processes and are available to all **Microsoft Dynamics NAV** users – whether existing **Simply Dynamics** customers or not.

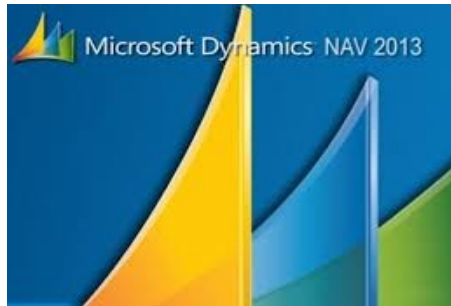

Business Solutions

When it comes to business solutions based around **Microsoft Dynamics NAV** software, none of our Irish competitors comes close to our level of expertise.

We have even identified areas where we can improve upon the standard **Dynamics NAV** software by enhancing functionality or streamlining business processes.

We are Ireland's fastest growing business solutions company because we have set ourselves apart from our competitors in a number of key areas.

It is because of these key differences that most of our new customers are recommended to us by our existing customers.

Microsoft Dynamics NAV 2013

- » **Microsoft Dynamics NAV 2013** is a complete business management system covering all of the major business functions.
- » It is designed to be adapted to the needs of individual businesses.
- » It is easy to use and quick to learn because it has the standard Microsoft 'look and feel'.
- » It can be interfaced with virtually any other system.
- » It can be accessed remotely via web browsers and mobile devices.
- » As it is suitable for businesses with anywhere from 1 user to several hundred users, it truly is a Lifetime Solution that your business is unlikely to out-grow.

Also Available

Our extended range of NAV Add-On modules also include

- » SD Bulk Mailer
- » SD ScanStore
- » SD EDI Manager
- » SD Tax
- » SD Security
- » SD Point of Sale
- » SD Haulage
- » SD Shop Floor Link

NAV Enhancements

As a result of our extensive experience working with **Microsoft Dynamics NAV**, we have identified areas where we can improve upon the standard **Dynamics NAV** software by enhancing functionality or streamlining business processes.

Either as part of a new **Dynamics NAV** installation, or as an addition to an existing installation, these improvements offer tried-and-tested solutions, that are quick to implement and that deliver real value-for-money.

Our enhancements are available to all **Dynamics NAV** users, whether **Simply Dynamics** customers, or not!

We are the only company in Ireland that is Microsoft-accredited to sell such enhancements!
