SD GeoPal for Microsoft Dynamics™ NAV

About Simply Dynamics

We provide a comprehensive range of business solutions to small and medium-sized manufacturing, distribution and service businesses. Our core business solution is **Microsoft Dynamics NAV** – a business management system with over 1 million users worldwide.

Our telephone, on-line and on-site support services are available to all **Microsoft Dynamics NAV** users – whether existing Simply Dynamics customers or not.

We are the only company in Ireland that is Microsoft-registered to sell a range of ready-made enhancements to the standard **Microsoft Dynamics NAV** software. These enhancements help to increase efficiency and streamline business processes and are available to all **Microsoft Dynamics NAV** users – whether existing **Simply Dynamics** customers or not.

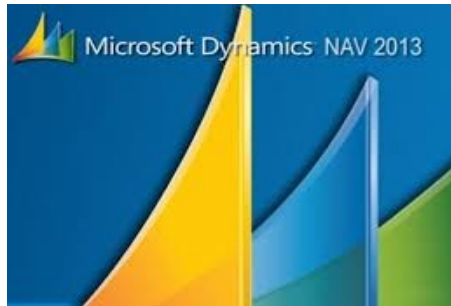

Business Solutions

When it comes to business solutions based around **Microsoft Dynamics NAV** software, none of our Irish competitors comes close to our level of expertise.

We have even identified areas where we can improve upon the standard **Dynamics NAV** software by enhancing functionality or streamlining business processes.

We are Ireland's fastest-growing business solutions company because we have set ourselves apart from our competitors in a number of key areas.

It is because of these key differences that most of our new customers are recommended to us by our existing customers.

Microsoft Dynamics NAV 2013

- » **Microsoft Dynamics NAV 2013** is a complete business management system covering all of the major business functions.
- » It is designed to be adapted to the needs of individual businesses.
- » It is easy to use and quick to learn because it has the standard Microsoft 'look and feel'.
- » It can be interfaced with virtually any other system.
- » It can be accessed remotely via web browsers and mobile devices.
- » As it is suitable for businesses with anywhere from 1 user to several hundred users, it truly is a Lifetime Solution

NAV Enhancements

As a result of our extensive experience working with **Microsoft Dynamics NAV**, we have identified areas where we can improve upon the standard **Dynamics NAV** software by enhancing functionality or streamlining business processes.

Either as part of a new **Dynamics NAV** installation, or as an addition to an existing installation, these improvements offer tried-and-tested solutions, that are quick to implement and that deliver real value-for-money.

Our enhancements are available to all **Dynamics NAV** users, whether **Simply Dynamics** customers, or not!

We are the only company in Ireland that is Microsoft-accredited to sell such enhancements!
