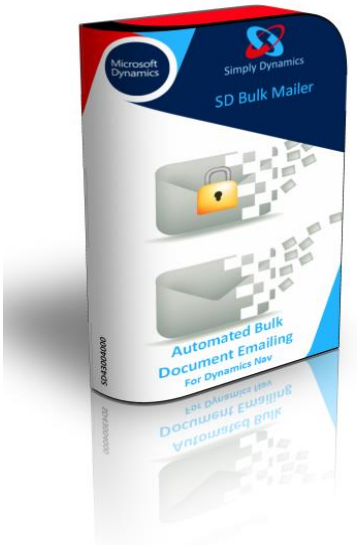
SD Bulk Mailer [SD-BULK]

Automated emailing of your business documents to assigned contacts. Also allow multiple attachments with flexible scheduling options.



Certified for Microsoft Dynamics NAV

Automate the emailing of all your standard Dynamics NAV documents.

Use a rich HTML editor for professional and consistent email communications.

Attach multiple documents e.g. include your Terms and Conditions with every document and set time periods for these to auto attach.

Direct communications to the correct point of contact.

Allow customers self-service for copy documents via Web Service on your website.

Why Use SD Bulk Mailer

Automated electronic document sending	Consistent communications with flexible email templates	Full history retained of all communications	Rapid deployment with no impact on existing setup	Certified for Microsoft Dynamics NAV
