# One solution for all industries

Experience with Anveo a flexible toolkit to create your own app

## SALES & CRM

Quotes, orders, contacts, prices and stock information

## SERVICE

Get your to-do list, enter work times, travel expenses and required items.

## CREATE YOUR INDIVIDUAL APP

With Anveo you are able to design your own app from scratch directly in Dynamics NAV.

## TIME ENTRY

Enter time entry and travel expenses with photos of receipts.

## ISV

Build your app for your ISV solution.

# Anveo Web Portals

Limited and live access to your Dynamics NAV database

## PORTAL SOLUTIONS

Customer Portal  
Vendor Portal

## STAFF IN THE FIELD

Service Technicians  
Mobile Sales

## LIMITED USERS

Employee Portal  
Time & Attendance  
Travel Expenses

## YOUR OWN PORTAL

With Anveo you can set-up any individual web solution.

## YOUR BENEFITS

Save business time  
Support time can be reduced in providing live access to your customer and vendors.

Exclusive data  
Customers and vendors can read and modify their data only.

Reduce complexity  
The user interface provides only required features.

# Data sources

User interface is set-up in Anveo Pages in Dynamics NAV.

Elements							
Menu	Fields	Additional Properties	Description Translations	Position	Mobile	Filter	Clear Filter
Table No.	Virtual Table Code	Table Name	Element Type	Readonly	Visible		
5327182	SALESHEADER_FILTER	ACF Virtual Data	Web Portal - Card	<input type="checkbox"/>	<input checked="" type="checkbox"/>		
36		Sales Header	Web Portal - List	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>		
36		Sales Header	Mobile Web - List	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>		
36		Sales Header	Mobile App - List	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>		

Select any table from Dynamics NAV

# Fields and buttons

Select your desired elements that you want to provide in your user interface.

Type	Field No.	Description	Link with Previous Field	Editable	Visibility	Width	Card Position
Field	1	Document Type	<input type="checkbox"/>	Read Only	Invisible	4 left	
Field	3	No.	<input type="checkbox"/>	Editable	Visible	0 left	

# Set-up Anveo user with data filter

Connect your Anveo user to a customer, vendor or sales person/purchaser. Use this connection for a global data filter for all views.

## MY\_CUSTOMER · My example customer

General			
Anveo User:	MY_CUSTOMER	Active:	<input type="checkbox"/>
User Name:	My example customer	Relation Code:	10000
Comment:		Relation Type:	Customer
User Language:	ENU	Last Action:	None
Expiration Date:		Last Login:	User
New Password:		Anveo User Protocol Level:	Customer
Locked until:		Logging Level:	Vendor
			Contact

Select Anveo User Relation to filter data

# Simply add local business logic

With Anveo Client Suite you get full access to your app behaviour directly in Dynamics NAV.

**Edit - ACF Anveo Script Lines**

# Use Anveo

Your benefits using Anveo Mobile and Anveo Web Portal

## QUICK START

Just one day of training empowers NAV developers to create mobile apps and web portals.

## MINIMIZE COSTS

Create your individual apps and web solution in just a few days.

## MAXIMIZE COMPATIBILITY

Runs on Microsoft Dynamics NAV 2009 R2 to NAV 2015.

## EASY TO USE

Even users without any programming knowledge are capable of editing apps and web solutions.

# Anveo

The Anveo product family

The Anveo product family provides powerful add-ons for Microsoft Dynamics NAV.

Anveo is sold worldwide through the Dynamics NAV Partner channel to more than 130 Anveo partners.

## MOBILE APPS

Create your individual, full offline-capable app directly in Microsoft Dynamics NAV.

## WEB PORTALS

Web client for portal solutions and limited access users based on NAV 2009 R2 to 2015.

## EDI

Electronic Data Interchange 100% powered by Dynamics NAV. Experience EDIFACT without any external converter.
